THE CHALLENGE IS GREAT … BE A HEALTHCARE HERO!

Every $500 raised translates into a year's worth of compassionate health care for someone in need.

Proceeds generated from this year's event will go towards CrossOver's comprehensive Dental Program. Dental care is one of the most pressing needs of our patients. Every day, CrossOver Health Centers face the overwhelming need for dental care among Richmond's indigent population. In response, CrossOver provides a full range of oral health care services, including routine cleanings, exams, x-rays, fillings, extractions, and oral health education. But with waiting lists at all three of CrossOver's clinic locations, the dental program must be expanded to serve more people!

Your Race Pledges can either be recorded below OR you can manage all pledges online by starting a fundraising page at: http://www.active.com/donate/2009challenge. A prize will be given to the individual or team who raises the most money! To be considered for the prize, please bring this form and all pledges to the race registration tables by 8AM on April 18, 2009.
